**SECOND SUPPLEMENTAL DECLARATION OF ORRAN L. BROWN, SR.
IN SUPPORT OF FINAL APPROVAL**

I, ORRAN L. BROWN, SR., hereby declare and state as follows:

I. INTRODUCTION

1. Personal Information. My name is Orran L. Brown, Sr. I am the Chairman and a founding partner of BrownGreer PLC (“BrownGreer”), located at 250 Rocketts Way, Richmond, Virginia 23231.

2. The Capacity and Basis of this Declaration. I am over the age of 21. The matters set forth in this Declaration are based upon my personal knowledge and information received from Plaintiffs, Capital One, Capital Management Systems, LP, Leading Edge Recovery Solutions, LLC, and AllianceOne Receivables Management, Inc. (collectively, the “Parties”) in this proceeding. Any opinions presented in this Declaration rest upon my training and experience, and any data provided is based upon our work performed in this program to date.

3. Background. In its July 29, 2014 order preliminarily approving the proposed class action settlement in this matter (Document No. 137, “Preliminary Approval Order”), the Court, *inter alia*, (1) ordered that the Parties file for final approval of the settlement by November 18, 2014, (2) set November 26, 2014 as the claim filing deadline, and (3) scheduled a Final Approval Hearing for December 9, 2014. On November 18, 2014, Plaintiffs filed a motion seeking final approval by the Court of the proposed settlement (Document Nos. 260 and 262). As part of that motion, Plaintiffs submitted the November 18, 2014 Supplemental Declaration of Orran L. Brown, Sr. in Support of Final Approval (Document No. 264, “First Final Approval Declaration”) in which I detailed the notice and claimant activity efforts undertaken and results observed in this matter. On November 18, 2014, the Court rescheduled the Final Approval Hearing from December 9, 2014, to January 15, 2015.

4. Program Changes Following the Filing Deadline. In consultation with the Parties, BrownGreer implemented several operational Program updates upon the expiration of the November 26, 2014 claim submission deadline¹:

- (a) *Online Filing.* We closed the online claim submission feature for all users except individuals responding to a Notice of Incomplete Claim Form.
- (b) *Telephone Filing.* We closed the telephone claim submission feature for all callers to the Program's toll-free telephone system.
- (c) *Document Requests.* We removed the document request features on both the Settlement Website and the toll-free telephone system.
- (d) *Deadline References.* We modified the Settlement Website and the interactive telephone system to highlight and reference the expiration of the filing deadline.
- (e) *Final Approval Hearing.* We updated the Settlement Website and the interactive telephone system to highlight and reference the rescheduling of the Final Approval Hearing.

5. The Purpose of this Declaration. In my First Final Approval Declaration, I described the successful implementation and results of this Program's Notice Plan in confirmation of the opinion set out in my July 14, 2014 Declaration in Support of Notice Plan that the Notice Plan was effective and constituted the best notice practicable under the circumstances, pursuant to Fed. R. Civ. P. 23(c)(2)(B) and due process principles. As my First Final Approval Declaration presented data through November 16, 2014, I submit this Declaration to provide the Court with updated Program information through the expiration of the November 26, 2014 filing deadline and up to December 17, 2014.

II. NOTICE RESULTS

6. Measurable Notice Reach. Since the filing of my First Final Approval Declaration, the United States Postal Service ("USPS") has returned to the Program as

¹ In consultation with the Parties, to accommodate Settlement Class Members from all eligible time zones, we set the online and telephone claim submission deadline at 11:59:59 PM Hawaii-Aleutian time, or 4:59:59 AM Eastern Standard Time.

undeliverable 105,603 Postcard Notices that we necessarily counted previously as having “reached” the affected Settlement Class Members because those Notices, which were mailed before October 27, 2014, had not yet been returned to the Program and thus were believed to have been delivered. Incorporating these recently undeliverable Postcard Notices into the Notice reach calculation, the measurable aspects of the Notice Plan reached 15,983,613 known, unique Settlement Class Members, reflecting approximately 96.03% of the known Settlement Class and 91.22% of the estimated total Settlement Class.

7. ***Supplemental Notice Efforts.*** Though not reflected in the measurable reach described in Paragraph 6 above, the courtesy email reminder campaign described in detail in Paragraph 19 of my First Final Approval Declaration proved successful and ultimately generated 282,969 unique claim submissions with the Program.

III. OPT OUTS AND OBJECTIONS

8. ***Opt Outs.*** Since the filing of my First Final Approval Declaration, we have processed additional opt out correspondence from 12 potential Settlement Class Members, four of which were untimely and eight of which were timely. Attachment 1 to this Declaration identifies the 462 potential Settlement Class Members who submitted complete, timely, and otherwise valid exclusion requests. Attachment 2 identifies the 103 individuals who submitted invalid exclusion requests, of which 11 are invalid because they were postmarked after the October 27, 2014 Opt Out Deadline.

9. ***Objections.*** Since the filing of my First Final Approval Declaration, one additional objector has submitted a timely claim with the Program, bringing the total number of objectors who submitted claims with the Program to ten.² The Program has not received any

² Settlement Class Member Jose Vera, who was listed as an objector in Row 3 of Attachment 13 to my First Final Approval Declaration, filed a timely claim on November 26, 2014.

other objection-related correspondence since the filing of my First Final Approval Declaration.

IV. CLASS MEMBER PARTICIPATION

10. *Website Activity.* Settlement Class Members continued to interact with the Settlement Website following the filing of my First Final Approval Declaration. To date, the Settlement Website has received 883,694 total visits from 690,285 unique visitors. These users have viewed the Settlement Program's FAQs 132,839 times, and have downloaded Settlement documents 19,779 times. The Settlement Website's "Mail Me Documents" feature, which we removed upon the expiration of the filing deadline, was used by 244 persons. BrownGreer fulfilled each of those requests by sending a combination of 207 copies of the Settlement Agreement, 131 copies of the Detailed Notice, and 162 Claim Forms. Attachment 3 to this Declaration provides further detail on these website analytics.

11. *Call Center Activity.* Settlement Class Members continued to interact with the Program's toll-free telephone system following the filing of my First Final Approval Declaration. To date, the call center system has received 113,468 total inbound calls. Callers to the system take advantage of all of its features, with 12,481 requesting to be mailed key Settlement Program documents and 2,351 requesting a live operator callback. BrownGreer's live operator call center agents thoroughly analyzed all voicemails and made outbound calls to 2,803 potential Class Members, including 2,351 to the individuals expressly requesting a callback and 452 to individuals whose interactions with the Program otherwise required attention. Attachment 4 to this Declaration provides further telephone system analytics.

12. *Notices of Incomplete Claim Forms.* The Settlement Program continued to receive incomplete hard copy Claim Forms, we continued to issue Notices of Incomplete Claim

Form, and Settlement Class Members continued to cure their defects. We have issued a total of 5,282 Notices of Incomplete Claim Form. Of the Settlement Class Members receiving such a Notice, 1,438 have already cured their deficiencies, and the 35-day response window prescribed by Paragraph 9.02 of the Settlement Agreement remains open for an additional 1,470 Settlement Class Members, with the latest response deadline set to expire on January 20, 2015. Therefore, there are currently 2,374 timely claims that, following the noticing and deficiency cure process, remain deficient.

13. *Untimely Claims.* The Preliminary Approval Order established November 26, 2014 as the deadline for Settlement Class Members to submit a Claim Form. Settlement Class Members could not submit tardy Claim Forms online or over the phone because, as described in Paragraph 4 above, we removed those filing functions upon the expiration of the claim submission period. Settlement Class Members still can and do, though, mail hard copy Claim Forms after the filing deadline. In consultation with the Parties, BrownGreer established the following rules for determining the timeliness of hard copy claim submissions:

- (a) If mailed using the USPS and a postmark is present and legible, the postmark date controls.
- (b) If mailed using the USPS and a commercial metered date stamp (*e.g.*, a Pitney Bowes postage machine) is present and legible without the presence of a USPS postmark, the commercial metered date stamp controls.
- (c) Where a commercial metered date stamp conflicts with a USPS postmark, the USPS postmark controls.
- (d) Where the USPS has double-stamped the mail with a courtesy hand stamp evidencing receipt on the filing deadline and a machine-printed stamp evidencing actual processing the following day, the courtesy hand stamp controls.
- (e) If mailed using the USPS and the postmark/meter stamp is missing or illegible, the date we received the document controls.

(f) If delivered to us by a carrier (FedEx, UPS, etc.), the date the document was placed in the hands of the carrier controls as the functional equivalent of a postmark.

We analyze closely every hard copy Claim Form that we receive after the filing deadline and apply the above rules to determine the timeliness of those submissions. As of December 17, 2014, we had received 9,421 untimely, unique hard copy Claim Forms. Attachment 5 to this Declaration provides the dates on which we received those untimely submissions.

14. *Claims Received to Date.* The Program continued to receive online, telephone, and hard copy Claim Forms through the November 26, 2014 filing deadline, and we have received timely hard copy Claim Forms as recently as December 17, 2014. The Settlement Program has now received a total of 1,378,534 timely, unique claims, reflecting an 8.28% rate of participation of known Settlement Class Members and 7.87% of the entire estimated Settlement Class.

V. COST OF NOTICE AND ADMINISTRATION

15. *Notice Cost and Administrative Handling.* The combined, approximate cost to date to implement the Notice Plan and handle the administration of claims and class member support for this Settlement Program is \$4,018,500. This includes costs for postage, paper, and other necessary direct pass-through expenses totaling \$2,735,000 and administration fees of \$1,283,500. BrownGreer presently projects that the final total cost of Notice and administration will be approximately \$5,093,000, which includes \$3,695,500 in projected pass-through expenses and \$1,397,500 in fees for work done to perform the duties of the Claims Administrator.

16. *Estimated Pro Rata Benefits Projection.* Using the 1,378,534 unique, timely claims received to date, and incorporating the attorneys' fees and service awards Class Counsel requested in their September 29, 2014 motion (Document Nos. 175-177), as well as the

estimated cost of Notice and administration, eligible claimants would receive individual benefit payments in the estimated amount of \$34.60, as demonstrated in these Tables 1, 2 and 3:

VI. CONCLUSION

17. Notice Plan Success. The foregoing supplements the more thorough analysis previously presented in my First Final Approval Declaration and further establishes that the Notice Plan was implemented fully, properly, and successfully.

I, Orran L. Brown, Sr., declare under penalty of perjury pursuant to 28 U.S.C. § 1746 that the foregoing is true and correct. Executed on this 22nd day of December, 2014.

³ This Settlement Class Member submitted an exclusion request postmarked on November 7, 2014, after the October 27, 2014 Opt Out Deadline. Accordingly, this untimely request is invalid. The request would be valid but for its untimeliness.

⁴ Patti Flippen mailed a letter to the Court (Document No. 253) that included language suggesting she wished both to object to and opt out of the Settlement. Paragraph 13 of the Preliminary Approval Order provides that “Settlement Class Members may not both object and opt out” of the Settlement. Accordingly, Ms. Flippen’s exclusion request controls. Section 10.01 of the Amended Settlement Agreement and Paragraph 13 of the Preliminary Approval Order require that Settlement Class Members submit their exclusion requests to the Claims Administrator by the October 27, 2014 Opt Out deadline. As Ms. Flippen never submitted an exclusion request to the Claims Administrator before the Opt Out deadline, Ms. Flippen’s request for exclusion as stated in Document No. 253 is not valid.

⁵ Diane Hanson mailed a letter to the Court (Document No. 218) that included language suggesting she wished both to object to and opt out of the Settlement. Paragraph 13 of the Preliminary Approval Order provides that “Settlement Class Members may not both object and opt out” of the Settlement. Accordingly, Ms. Hanson’s exclusion request controls. Section 10.01 of the Amended Settlement Agreement and Paragraph 13 of the Preliminary Approval Order require that Settlement Class Members submit their exclusion requests to the Claims Administrator by the October 27, 2014 Opt Out deadline. As Ms. Hanson never submitted an exclusion request to the Claims Administrator before the Opt Out deadline, Ms. Hanson’s request for exclusion as stated in Document No. 218 is not valid.

⁹ This Settlement Class Member submitted an exclusion request postmarked on November 12, 2014, after the October 27, 2014 Opt Out Deadline. Accordingly, this untimely request is invalid. The request would be valid but for its untimeliness.

¹⁰ This Settlement Class Member submitted an exclusion request postmarked on October 29, 2014, after the October 27, 2014 Opt Out Deadline. Accordingly, this untimely request is invalid. The request would be valid but for its untimeliness.

¹¹ Sarah Redman submitted correspondence to the Court (Document No. 211) in which she indicated that she both objected to and wished to be excluded from the Settlement. In accordance with Paragraph 13 of the Preliminary Approval Order, which states “Settlement Class Members may not both object and opt out,” the Court directed Class Counsel to reach out to Ms. Redman and clarify whether she intended to object or opt out of the Settlement. Ms. Redman replied to Class Counsel on November 10, 2014, and indicated that she meant to exclude herself from the Settlement. Ms. Redman then mailed an exclusion request to the Claims Administrator, postmarked on November 14, 2014. Section 10.01 of the Amended Settlement Agreement and Paragraph 13 of the Preliminary Approval Order require that Settlement Class Members submit their exclusion requests to the Claims Administrator by the October 27, 2014 Opt Out deadline. As Ms. Redman’s exclusion request was postmarked after the Opt Out deadline, and as the request that she submitted lacked her address and the phone number at which she allegedly received a call from the Defendants, Ms. Redman’s exclusion request is not valid.
